## Orthodontics Logbook Summary Page

This summary page must be completed and attached to the beginning of the logbook you are submitting for assessment. If you feel the assessment team might need further information in relation to the information you have provided in your log book, please use the notes section provided.

For further information on the training delivered in Ireland you can refer to the ICSTD's manual on specialist training in dentistry which is on our website; http://dentalcouncil.ie/dentalspecialists.php.

The suggested case numbers provided are a guide only and you are entitled to submit a log book with more or less than the suggested number of cases. The review will take account of case mix and quantity.

|  | Suggested <br> number of cases | Number of <br> cases provided <br> by applicant |
